The Corporation may do all and every thing necessary, advisable, proper, or convenient for the accomplishment, attainment, or furtherance of any of the purposes or objectives set forth in these Articles of Incorporation or any amendment thereof, and to do all other things incident thereto or connected therewith, which are not forbidden by the Florida Professional Service Corporation and Limited Liability Company Act, the Florida Business Corporation Act, or otherwise by law, or by these Articles of Incorporation.

The foregoing paragraphs shall be construed as enumerating both objectives and purposes of the Corporation, and it is hereby expressly provided that the foregoing enumeration of specific purposes shall not be held to limit or restrict in any manner the purposes or powers of the Corporation otherwise permitted by law.

DIRECTOR CONFLICT OF INTEREST

No contract or transaction between the Corporation and one more of its directors or officers, or between the Corporation and any other corporation, partnership, association, or other organization in which one or more of its directors or officers are directors or officers or have a financial interest shall be void or voidable solely for this reason, solely because the director or officer is present at or participates in the meeting of the Board of Directors or committee thereof which authorizes the contract or transaction, or solely because his, her, or their votes are counted for such purpose, if:

- (a) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good faith authorizes the contract or transaction by the affirmative vote of a majority of the disinterested directors, even though the disinterested directors are less than a quorum; provided, however, that the contract or transaction shall not be authorized by the vote of only a single director;
- (b) The material facts as to the relationship or interest and as to the contract or transaction are disclosed or are known to the shareholders entitled to vote thereon, and the contract or transaction is specifically approved in good faith by vote of the shareholders; or
- (c) The contract or transaction is fair as to the Corporation as of the time it is authorized, approved or ratified by the Board of Directors or by a committee thereof, or the shareholders.

Common or interested directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes the contract or transaction. This provision shall not be construed to invalidate a contract or transaction which would be valid in the absence of this provision or to subject any director or officer to any liability that he or she would not be subject to in the absence of this provision.

ARTICLE IX. INDEMNIFICATION

The Corporation shall have the power and authority to indemnify any person to the fullest extent permitted by law.

ARTICLE X. DIRECTOR IMMUNITY

To the fullest extent permitted by applicable law, a director of the Corporation shall not be liable to the Corporation or its shareholders for monetary damages for an act or omission in the director's capacity as a director, except that this Article does not eliminate or limit the liability of a director of the Corporation to the extent the director is found liable for:

- (a) A breach of the director's duty of loyalty to the Corporation or its shareholders;
- (b) An act or omission not in good faith that constitutes a breach of duty of the director to the Corporation or an act or omission that involves intentional misconduct or a knowing violation of the law;
- (c) A transaction from which the director received an improper benefit, whether or not the benefit resulted from an action taken within the scope of the director's office; or
- (d) An act or omission for which the liability of a director is expressly provided by an applicable statute.

Any repeal or amendment of this Article by the shareholders of the Corporation shall be prospective only and shall not adversely affect any limitation on the personal liability of a director of the Corporation arising from an act or omission occurring prior to the time of such repeal or amendment. In addition to the circumstances in which a director of the Corporation is not personally liable as set forth in the foregoing provisions of this Article, a director shall not be liable to the Corporation or its shareholders to such further extent as permitted by any law hereafter enacted, including, without limitation, any subsequent amendment to the Florida Business Corporation Act or the Florida Professional Service Corporation and Limited Liability Company Act.

CONSENT IN LIEU OF MEETING

Any action which may be taken, or which is required by law or the Articles of Incorporation or bylaws of the Corporation to be taken, at any annual or special meeting of (a) shareholders may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall have been signed by the holders of outstanding shares having not less than the minimum number of votes that would be necessary to authorize or take such action at a meeting at which all shares entitled to vote were present and voted thereon, and (b) directors may be taken without a meeting, without prior notice and without a vote, if a consent or consents in writing, setting forth the action so taken, shall have been signed by all directors.
