Reference: Corporation Natasha International Freight, Inc.

To Whom It May Concern:

By these means we would like to inform to you that we had our Corporation in Florida established on June 1998, we had left an associate in charge of the Corporation because we Recently moved to Chicago, in which time we thought that the associate had taken care of the payment for the corporate yearly dues, we have just recently found out that no money was ever paid for the yearly dues for the Corporation.

We are very sorry for this but when you leave somebody in charge and think that they would be able to handle a task like this it really lays a big burden on me. And I wish to inform to you that the associate is no longer working for my corporation.

I myself will be taking care of all the required documents or questions that you may have in The near future. I would like to please see if you could reinstate my Corporation as Natasha International Freight, Inc. and see if you could please waive any other charges, I know that it is my responsibility but please understand that when you trust somebody it is very hard to ask for proof of everything until I recently found out through other sources that nothing had been take care of, and that was when I called you right away, I do want my Corporation active because I need this business to continue.

I have enclosed my payment for this Year, please if you could review my situation and inform me if there is any other information that you may require please inform me.
