Re: Reinstatement of Corporation  
Doc # P98000065725

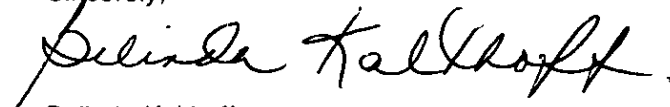

To whom this may concern:

On April 19, 1999 we mailed our corporation annual report to your offices with a check in the amount of \$150.00 (copy of front and back enclosed). As you can see, our check was cashed but we received a notification by mail that there was information missing from our report and needed to send in a correction. I personally mailed the corrected form back to you immediately, but when I called to verify it's receipt, one of your representatives stated that it was not received yet. I mailed another copy and when I called to verify receipt of the second copy, the representative confirmed that it was received and stated that the information would be updated in your records and no further action was necessary on my part.

The last time I called your offices to find out why I had not received my annual report packet, I was informed that our corporation was still dissolved - I just checked on the internet this morning and it is still listed as administrative dissolution for annual report for 1999.

I was instructed by a customer service representative to file a reinstatement form (enclosed) and send in my check for \$150.00 (enclosed) for the year 2000. I am asking that the late fees be waived since I have abided by all requirements to keep our corporation active. Please call me if there are any questions.

Sincerely,

Belinda Kalthoff  
President
