RE: reinstatement of corporation

Dear Ms. Prather;

At the end of January 2000 I called this department and spoke to Mr. Scott about the status of this corporation as I had never received correspondence. I was informed that this corporation had been dissolved. I informed him that I had the two cashed checks for the purpose of covering these costs and asked him what I should do about it. He told me that I should write him a letter describing the situation and that he would credit our account with having paid the annual dues which I did on 03-01-2000. Subsequently, I received your letter requesting more information and spoke to you earlier today in an attempt to satisfy your request. As I explained to Mr. Scott and to you I never received correspondence regarding the status of this corporation. I was under the impression that I filled the paperwork out properly from the beginning. I apologize for not being more thorough in my explanation and providing the proper information before. I pray that this will be the end of this confusion and thank you for your patience and understanding.

Appreciatively,

Chris Durban

RE: reinstatement of corporation

Dear Mr. Scott;

At the end of January 2000 we talked about the status of this corporation at which time you told me that it had been suspended. I told you that I had receipt of two checks that had been cashed by your office for the purpose of paying required annual corporate dues. You acknowledged this in your records and asked me to write a letter to you regarding this matter and that you would credit our account for payments received and reinstate this corporation. Please find copies of the processed checks which include #1004 on 03-10-99 for \$150.00 and #1007 on 07-21-99 for \$550.00. Please take out \$150.00 for the year 2000 fee and refund the rest as you offered before.

Thank you very much for your understanding in this mix up. I hope that this will be the end of these problems.

Appreciatively;

Chris Durban
