Ref: Late Filing of 2001 UBR for
Florida Fire Apparatus Repair, Inc. 59-3527658

Gentlemen:

Attached please find a check in the amount of \$150.00 and the 2001 UBR for the above referenced corporation. I am asking that the late penalty be waived or reduced on the above corporation due to the following extenuating circumstances.

I handle the bookkeeping and bill paying for the above corporation as the owner has relocated to Chicago, Illinois. We receive most of his correspondence through either an employee of the corporation or through their post office box. The 2001 UBR was received in our office through one of these means and was filed (under "Invoices to be Paid").

During the third week of April this year, my eleven year old son was in a serious car accident for which I missed time at work. As I am the only person who handles this account, including paying the bills and checking their post office box, the UBR was overlooked at the end of the month of April. It was not until I returned to work, checked Florida Fire's post office box, and then commenced to pay their accounts payable, that I located the unpaid, unsent UBR.

Thank you in advance for your consideration in this matter..

Sincerely,

Diana L. Hall
