To Whom This May Concern:

My daughter Brandy Crane has been running her own graphic design business called A Creative Factory, Inc., out of our home for the past three years. She is now 21 years old and is still a full time college student with a baby to raise. I have been trying to help her but I have also been battling cancer for the past year and a half.

Brandy does not understand business at all but has done her best to keep her sales tax paid and her bills current. She has never received her corporate papers to fill, therefore did not understand that they needed to be filed annually to keep her corporate status. Could you please accept this document that I printed up off of the Internet and my personal check for the past three years filing fee so we can get her corporation reinstated again. I have also enclosed an additional fee for the Certificate of Status.

If this is not correct, please send me what we need to my personal PO Box Number so it does not get lost again.

Thank you for your help regarding this matter. Anything you can do to help us will be appreciated.

Sincerely,

Joni Crane  
President
