Please accept my check #3705 Dated 10-06-03 for the amount of \$150.00. I got divorced after 22 years of marriage. My exhusband works for the United States Post Office and has been there for 24 years. I have had many problems with my mail and have tried to get the Postal inspectors involed. My mail shows up sometimes post marked as long as 2 months or not at all. My office staff was my husbands family, so I had even more problems getting information calls and mail til the court order came through to make changes. I had to make a seperate office store front after the court order but all mail was to come to our store and then be given out. After we made changes and moved them next door, they put in a request for same address with Suite A & B. This caused even more problems because it was not in the court order or my lease to have seperate Suites. I have been under a doctors care and trying very hard to handle my business correctly. I am very sorry but I have never been late before. Also my home address had changed which I did correct on your form. I would have filed correctly if I had recieved my information. Please let me know if you can help me. I can be reached at
