Re: Document # P98000073176 Letter No. 799A00051669

Dear Ms. Sellers,

After speaking with Kathy at your office on Friday, November 5, 1999 she advised me to do the following.

Enclosed please find a copy of my completed annual report for 1999. The original report was filed and paid for on time however was returned to me for my signature. I returned the report to you. Then sometime in late September or early October I received a notice of dissolution. I called your office and they said the federal identification number was missing and if I would mail in a copy with the number on it it would be okay. So again I mailed a copy in.

Now I received another letter stating I owe for late filing penalties. When I called your office they said I should have enclosed a letter with the last copy mailed. Also they told me that I did not respond in time. I did not receive the letter notifying me of the missing federal identification number. I have responded to all letters I have received from you and I have done everything that I was told to do by your office on a timely basis.

I am writing this letter to request that you please abate the penalties. All future reports will be mailed with all information completed.

Please advise me as to your decision.

Melmode Jackson.

Sincerely,

Melinda K. Jackson
