## ARTICLE 4

### CAPITAL STOCK

The total number of shares of stock the Corporation shall have authority to issue is (i) 870,000,000 shares of Common Stock, \$.0001 par value per share ("Common Stock"), and (ii) 5,800,0000 shares of Preferred Stock, \$.0001 par value per share ("Preferred Stock").

The following is a statement of the designations and the powers, privileges and rights, and the qualifications, limitations or restrictions in respect of each class of capital stock of the Corporation.

#### A. Common Stock

1. General. The voting, dividend and liquidation rights of the holders of the Common Stock are subject to and qualified by the rights of the holders of the Preferred Stock of any series as may be designated by the Board of Directors upon any issuance of the Preferred Stock of any series.
2. Voting. The holders of Common Stock are entitled to one vote for each share held at all meetings of shareholders (and written actions in lieu of meetings). There shall be no cumulative voting.
3. Dividends. Dividends shall be declared and paid on the Common Stock from funds lawfully available therefor as and when determined by the Board of Directors and subject to any preferential dividend rights of any then outstanding Preferred Stock.
4. Liquidation. Upon the dissolution or liquidation of the Corporation, whether voluntary or involuntary, all of the assets of the Corporation available for distribution to its shareholders shall be distributed ratably among the holders of the Preferred Stock, if any, and Common Stock, subject to any preferential rights of any then outstanding Preferred Stock.

#### B. Preferred Stock

Preferred Stock may be issued from time to time in one or more series, each of such series to have such terms as stated or expressed in this Section B of Article 4 and/or in the resolution or resolutions providing for the issue of such series adopted by the Board of Directors of the Corporation, as hereinafter provided. Any shares of Preferred Stock which may be redeemed, purchased or acquired by the Corporation may be reissued except as otherwise provided by law. Different series of Preferred Stock shall not be construed to constitute different classes of shares for the purposes of voting by classes unless expressly provided.

RF

Authority is hereby granted to the Board of Directors from time to time to issue the Preferred Stock in one or more series, and in connection with the creation of any such series, by resolution or resolutions providing for the issuance of the shares thereof, to determine and fix such voting powers, full or limited, or no voting powers, and such designations, preferences, powers and relative participating, optional or other special rights and qualifications, limitations, or restrictions thereof including, without limitation dividend rights, conversion rights, redemption privileges and liquidation preferences, as shall be stated and expressed in such votes, all to the full extent now or hereafter permitted by the FBCA. Without limiting the generality of the foregoing, the resolutions providing for issuance of any series of Preferred Stock may provide that such series shall be superior or rank equally or be junior to the Preferred Stock of any other series to the extent permitted by law. Except as provided in this Article 4, no vote of the holders of the Preferred Stock or Common Stock shall be a prerequisite to the issuance of any shares of any series of Preferred Stock authorized by and complying with the conditions of the Articles of Incorporation, the right to enjoy such vote being expressly waived by all present and future holders of the capital stock of the Corporation. The resolutions providing for issuance of any series of Preferred Stock may provide that such resolutions may be amended by subsequent resolutions adopted in the same manner as the preceding resolutions. Such resolutions shall be effective upon adoption, without the necessity of any filing, with the Secretary of State of the State of Florida or otherwise.

## **ARTICLE 5**

### **BOARD OF DIRECTORS**

A. **Number and Term of Directors.** The Corporation's Board of Directors shall consist of not less than one member, with the exact number to be fixed from time to time in the manner provided in the Corporation's bylaws. If the FBCA is hereafter amended to authorize the further or broader elimination or limitation of the personal liability of directors, then the liability of a director of the Corporation shall be eliminated or limited to the fullest extent permitted by the FBCA, as so amended. No repeal or modification of this Article 6 shall adversely affect any right of or protection afforded to a director of the Corporation existing immediately prior to such repeal or modification.
