Subject Unable to file single year UBR

Upon preparing my annual report and tax filing, I discovered that I had not received my preprinted UBR in the mail. I then attempted to pull the report form from your website and discovered I was unable to do so as your records show Davis & Davis as being Inactive.

My research shows that my annual report or UBR for 2002 was never processed, nor can I find that I ever received a form from your office last year to process.

Without being able to produce documentation from your office that I was notified, nor can I produce documentation from my office that I filed a blank form, I am only left with the option of appeal.

Please accept this annual report for this current year, along with the required \$150, with an additional \$150 included for last years report for a total of \$300.

This is a single person business and produced very limited income last year and is struggling this year. The assessment of the standard \$600 will be a significant hardship and will prevent me from filing at this time.

Please consider this appeal and reinstate Davis & Davis Consulting to active status. Thank You.

Sincerely

Morris Davis
