Dir Sirs/Madams, I was shocked to find out that my uniform business report has not been filed due to a late fee. I do not know the reason why the payment and report did not get to your offices until such a late date. I personally placed the form and payment in the Post Office of Gainesville, FL on April 27, 2000, if you looked at the envelope you will notice the postmark date. My amazement grew even larger when I discover, looking at the bank statements that the check was not cashed until June 14, 2000.

The only documents to proof my argument are the check dated May 27, 2000 (when it was written and mailed) and hopefully you still have the envelope with the post office markings. Again, I cannot understand the delay in the mailing; normally it only takes one day to go from Gainesville to Tallahassee, no several weeks. I apologize for the misunderstanding and I am pleading for a waiver of the late fee. In the future I will definitely send it certified mail to avoid this type of problems.

Again, I am requesting you to wave the late fees due to the problems in the mailing system and not on my part and file my Uniform Business report.

Thanks in advance for your consideration and help in this matter.

I could be contact via email vmga@gnv.ifas.ufl.edu or via cellular phone (352) 219-0583.
