Re: ATR AIRCRFAT P98000079313
TEG TRANSPARENCIES P98000036107

Sirs;

We are the accountants for the above Corporations, and as such file their various tax returns with the State of Florida, including the AR.

Note that for year 2006, both were filed (on or about 4/27/06) fees paid (correct amt at the time!) and in both cases, I understand from a call to your offices to day (Gary) that the returns were returned for signatures sometime in June, and were never returned to the Division.

I have had substantial problems with my local Post Carrier, and being that the mailing address appearing on the AR's is mine, I did not receive them, and the client never had the opportunity to promptly return them.

Please note that these are small family owned and operated businesses, which have previously never had a late filing, and the imposition of the \$ 600 penalty would be a serious hardship on them, more so over something such as this.

I am enclosing signed ARs as requested, I have listed them both in my mail box in our building to prevent future problems, and respectfully request the Division to accept the ARs and place the Corporation back as active, abating the late payment penalties involved, due to the mailing issue.

Very truly yours

Frank Diaz
for the firm.
