To Whom It May Concern,

I received a Second Notice for the 2000 Uniform Business Report. I was surprised to receive a second notice since I had never received the first notice. My first reaction was to call a friend who also has a small corporation. He said I should have received a first notice. Then he suggested to call the number found in the form. I immediately did; as a result, a gentleman named Robert informed me to write a letter and explain that I never received a first notice. This corporation is a very small one; in fact, my wife and I are the only ones that work for it. This is the first time we have a corporation; consequently, I am not used to the many forms that we should receive and file. I guarantee you that from now on I will make sure that a Uniform Report be filed since now I know one is to be filed around the month of May as stated by your employee Robert. He stated to enclose a check for \$150.00 since I really did not know about the first deadline. I appreciate your consideration and help. I will forever be grateful. Thanks again.

Most grateful,

Jose Rodriguez
