To whom it may concern,

I just came home from summer vacation and in my mail I found this second notice. I called the 800 number on the front of the notice and I was directed to a second number. A gentleman at the second number asked me if I ever received the first notice. I informed him that I never received a first notice and that I was not familiar with this process because having a corporation is new to me. He told me to send back this second notice with a check for \$150.00. I hope this will resolve this oversight by me and I will try to be timely with my filing next year.

Thank you,
