Dear Sirs,

I am very concerned corporation owner. On Feb 10, 2001 I was reviewing my file with my accountant and we decided to fill out our 2001 Uniform Business Report. We had not yet received the actual mail form so we downloaded the form from the internet. We cut check # 5804 payable to the Florida Department of State in the amount of 150.00.

We mailed the package to P.O. Box 6327 Tallahassee FL 32314.

It has been almost 9 months since we sent the package and we have not gotten any notices or any new packages in the mail. We never even received an actual form in the mail because we figured that you didn't send one since you received ours.

Today in the mail I received a dissolution notice. Imagine my shock. I called the bank to see if the check had cleared and they said it was still outstanding. I do not do the bookkeeping and I am surprised that it was not brought to my attention that a check had been outstanding so long. If I would have noticed that I could have called you sooner to verify that you received my report.

Anyway, at this time I am resending a check for 150.00 plus the proper form that I was told to fill out. Please accept this letter and check as is and reinstate my corporation without the late fees.

Especially now after what has happened in New York my company is having cash flow problems. We had major customers that were affected by the ensuing layoffs and such. The additional \$500 late fee would be too great a burden for me to bear and it would be unfair also because I did follow the instructions that I was given to send this to you in a timely manner. I had no idea that you never received it until today,

Warm Regards,
Rachel Spinka
