Ms. Katherine Harris
Division of Corporations
Annual Report/Reinstatement Section
P.O. Box 6327
Tallahassee, FL 32314-6327

Dear Ms. Harris:

To start this letter off I would like to apologize for not filing my annual report form in a timely fashion. We just started our corporation in September of 1998 and were not aware that there was a need to file an annual report every year. The first piece of correspondence that we received from your office was a notice of dissolution of the corporation on Tuesday of this week. I then contacted your office and was told by Kathy that we need to file the attached form immediately with this letter asking for a one time waiver of the late filing charges.

I am also aware that it is the responsibility of the corporation to make sure it files the annual report by May 1 of every year. I was also told that we should receive a copy of the form by February of each year but that if it is not received it will be our responsibility to contact your office and make sure that we get the proper form and file it in a timely fashion.

I would like to thank you for taking the time to review this case and you can rest assured that now that we know the procedure it will be followed to the letter.

Sincerely,

Kerry Hasapidis Vice President
