My Name is Diane Nash am writing this letter concerning the letter that i receive from the Florida Department of State. When i notice that the notices said that this was my second notice, (2ND NOTICE) thats when i relize that something was wrong this is a new shop were only i business for a few month and this is the first notice that ive every seen , so i took this notice over to the shop in front of me , when we open this shop the mail man was not giving me my mails he were delivering them to Exoticia Acemedy ,5711 W. Hallandale Blvd.. Because a few months after we were there one of the lady that work there brough me some of my mails she said that the mail man probaly think that this is the same shop so i spoke to the mail Delivery man and told him that i was not receiving my mail , and he promise me that if that had happend he apolize to me , i did;t receve none of my bills forr a long time so if you are sure you sent it to my address, i never receive, the notice this notice was the first one that i receives from the corp, i called the (Telephone Number) on this letter and spoke to a young lady there i explain to here what happend that i had never receive the first notice, so she told me to write this letter explaining what happend a send in the 150.00 original fee. and explain what happen she said that there were no garantee that they will except this, but i feel that this is a mistake , the only thing i can say is that this is a new business and i did,t no anythin about a corp. fee until i receive this notice. so please i ask you to try to understand that i never receive a notice before this one , and i promise you that this will never happen again, thank you very much for takeing the time to read this letter.

Thanks
Diane Nash.
