To Whom It May Concern:

I recently received the notification that my company's incorporation status was being revoked because we had not filed the proper documentation. I regret this oversight on our part, but in our defense I must add that we had not received any notification from the State of Florida that the papers were due. We have always received this notification in the past. Then we did not receive the notice of revocation until one month after the filing deadline (see post mark), and this notice was not sent to the correct address (perhaps the original was sent incorrectly also)

Obviously there was mis-communication on both sides. I am submitting document # P98000087165 with a check for the renewal fee in the hopes that you will grant us amnesty from the reinstatement fees which are quite high.

Please rest assured that we will not let this go unnoticed in the future if you can waive the extra fees this time.

Thanking you in advance for your help and cooperation in resolving this issue.
