The number of shares of Class A Common Stock authorized to be issued is 500,000 and the number of shares of Class B Common Stock authorized to be issued is 1,000,000. The Class A Common Stock and the Class B Common Stock shall each have a par value of Ten Cents (\$.10) per share.

3.1 The shares of the Company, when issued, shall be fully-paid and non-assessable and shall be payable in lawful money of the United States of America or in services or property as a just valuation to be fixed by the Directors of the corporation at any other meeting held for that purpose.

3.3 The holders of the Class B common stock shall be entitled to all of the rights and privileges pertaining to common stock without any limitations, prohibitions, restrictions, or qualifications except that the holder or holders of the Class B common stock have no voting powers whatsoever and they shall not be entitled to notice of the meetings of the stockholders of the corporation.

3.4 No holder of Class B common stock of this corporation shall have any preemptive rights of subscription to any shares of any class of stock in this corporation, whether now or hereafter authorized, and the Class B stock may be sold or issued to such person or persons as the Board of Directors may determine.

3.5 No holder of Class B common stock shall have the right or power to pledge, hypothecate, sell or otherwise dispose of any shares of the Class B common stock of this corporation without first offering the Class B common stock for sale or other disposition to the holder or holders of the Class A common stock under terms and conditions to be set forth in the bylaws.

3.6 The shares of Class B Common Stock may be issued from time to time in one or more series. The Board of Directors is expressly vested with authority to fix by resolution or resolutions, subject to limitations prescribed by law and the provisions of these Articles of Incorporation, and by filing a certificate pursuant to the applicable law of the State of Florida, the number of shares to be included in each such series, and the designations, powers, preferences, and the rights of the shares of each, and the qualifications, limitations, or restrictions thereof.

- e. Whether or not the shares of that series shall be redeemable, and, if so, the terms and conditions of such redemption, including the date or dates upon or after which they shall be redeemable, and the amount per share payable in case of redemption, which amount may vary under different conditions and at different redemption dates;
- f. Whether that series shall have a sinking fund for the redemption or purchase of shares of that series, and, if so, the terms and amount of such sinking fund;
- g. The rights of the shares of that series in the event of voluntary or involuntary liquidation, dissolution, or winding up of the corporation, and the relative rights of priority, if any, of payment of shares of that series;
