Dear Sir or Madam:

This is to officially advise that as of April 4, 2000, I resigned from Ake & Turpin Management Corp. As a partner and owner, I feel obligated to notify all of the Corporation's creditors of my resignation.

At the time of my departure, the assets of the partnership were greater than its liabilities, and as part of the dissolution, I chose not to take any capital. I selected this time to leave the company in order to ensure there were sufficient funds to cover the accounts payable. For this reason, I don't believe I am responsible for any of the Corporation's current debts.

It has always been my goal to ensure my debts are paid and paid on time. I intend to continue that pursuit. I have enjoyed our business relationship and wish to maintain that association in my new endeavor.

Sincerely,

Greg Ake
