Ref: Annual Report

To Whom It May Concern,

This letter is a request for abatement of the penalties on the two clients I have mentioned above. They brought me their annual reports in March around the same time I experienced a death in the family. After I reported back to work my employee who took the reports quit and didn't inform me they brought the reports in for me to look over and fill out. Then my client experienced a death in the family and was out of town. With all this going on she nor I once thought about the annual reports not being filed until she received the 2nd notice. She would have not intentionally not filed the reports. It would make more since to only pay the \$150.00 than \$550.00 for each business. Please take this matter into consideration. Enclosed is a check for each business.

Thank you,

Lisa Wiggins
