Today I received a Second Notice for the annual Report. Since I did not receive a First Notice, I was shocked to learn there was a high penalty, and I immediately called the phone number on the form and spoke to "Mark" in Corp. Information. He explained that because the Corp. was incorporated in Nov. of 1998, the information probably did not get entered in your computer soon enough to generate a First Notice. He told me to send in the \$150 with this explanation and that this would take care of my fee. I am recently out of college and am trying to get a new business going which has not made any money yet. Thank you.

Very Truly Yours,

Kevin Valliere
