Find enclosed a company check for four hundred fifty dollars for the re-instatement of the subject corporation retro to 2003. This re-instatement should be warranted by Division of Corporations without financial consequence and any negative aspects of such alleged actions be removed from our association.

Under no circumstances have the principals of this corporation attempted an administrative dissolution as indicated by a public inquiry by our landlord of this company. We have no record of a dissolution event dated 09.19.03 as noted in the profile. Furthermore, we have no record of receiving from Florida any renewal notice for our annual corporate actions with the Division of Corporations. It is noted that the "inquiry" has the old address and an incorrect zip code and town. Med-Scribe has been at this physical location since the late 80's, although our suite number may change and simply has never been associated with Maitland Florida. There was a change in address from Suite 310 to Suite 212 and a name change for CR 427 that is now Ronald Reagan Blvd.

Please assist us in correcting your database and determine how such a mistake as this can be made. Are we dealing with an attempt at fraud or identity theft, please advise as soon as possible. It is interesting that we have had no problem maintaining our Florida unemployment tax account!

Thank you.
