(1) Any stock of any class that the corporation may issue or sell, whether or not exchangeable for any stock of the corporation of any class or classes, and whether or not of unissued shares authorized by the articles of incorporation as originally filed or by any amendment thereof or out of shares of stock of the corporation acquired by it after the issuance thereof, and whether issued for cash, labor done, personal property, or real property or leases thereof; or

The affirmative vote of 66 2/3% of the shares of the corporation represented at a meeting at which a quorum is present shall be required to amend these articles so as to increase or decrease the authorized number of, or change the designations, preferences, qualifications, limitations, restrictions, or special or relative rights of any of the various classes of shares; or to merge or consolidate the corporation with or into any other corporation or sell, lease, or convey all or substantially all of the assets of the corporation, or voluntarily to dissolve, liquidate, or wind up its affairs.
