To: Florida Dept of State Division of Corporation

I never received my first notice of 2000 Uniform Business Report; also I never received my second or third notice.

I am a first time business owner at the age of 27 and since I never received the notices I thought it was a one time payment, I did not know that I was responsible for this yearly until my father mentioned it to me on September 19, 2000.

I called the department and told them the same thing happened last year and they told me it was my responsibility to remember when the payment was due. Being that they waived it the first time I am asking that you please waive it a second time and I will not let this happen again.

I am struggling to stay afloat in business, being that my business is seasonal and this is not season. The large fine of \$700.00 will through me over the edge.

3083

Please consider the waiver as being a young business man just starting out and learning new found hidden things that I am responsible for in business.

Sincerely

A handwritten signature in black ink, appearing to read 'Jason', followed by a long, horizontal, slightly wavy line that extends to the right.

Jason Mistler
