We are writing this to inform you, that this is only one, out of about a dozen clients that we have, who are receiving second notices on the Uniform Business Reports. The situation is that these clients always pay their taxes on time. They are coming to us upset about the second notice when they never received the first one. The thing that I should point out is that these clients have not moved in recent years, they still have the same address. Due to the fact that none of these clients ever received the first report please accept their checks for \$150 and wave the penalty of \$400. Thank you for checking into this matter.
