RE: Late Filing of 2000 Uniform Business Report of
Suncoast Equipment Company, Document No. **P98000103150**

Dear Sir or Madam:

Enclosed please find the 2000 Uniform Business Report of the above referred to corporation accompanied with a payment for \$158.75.

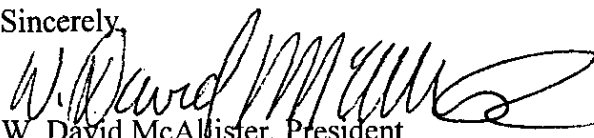

Kindly please accept this late filing without the penalty fee assessment. We brought this document to our CPA and he advised us of our obligation to update, pay and file this report annually. He mentioned that we should have received the original at the beginning of the year and to which we have no record of.

Please take into consideration that our corporation is a small business corporation with minimal revenues. The assessment of this penalty only needlessly augments our financial burdens when in fact our corporation did not willfully neglect or disregard the filing date deadline.

Additionally, please be advised that it is understood that should you extend the consideration to abate the penalty it will be for this time only. We also want to acknowledge again our responsibility for processing the return annually even though we may not receive the actual form for whatever reason.

Thank you in advance for your cooperation and any consideration extended.

Sincerely,

W. David McAllister, President
