To whom it may concern.

I have had a problem in the last several years with the Union Business Report. I always got my notice when it was a second notice. I talked to some one in an office nearby and they said the fee is only 150.00 well I thought 550 was the fee since I got mine late. The problem is not on your or my end there is a other business we are in a law suite with one the name Striker and the postal people a lot of times confuse who or which company is which we get their mail and they get ours. This problem is about over in court after 2 1/2 years however I do know the fee is 150.00 and I talked 9/10/01 with a lady in your office and explained the situation to her and she told me to write a letter in with 150.00 and explain the problem so you could wave the penalty. Thank you very much for your help.
