## HELP!!!/

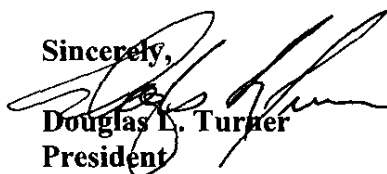

In April, 2001, I called the Division of Corporations to discuss the Uniform Business Reports for Marshall Management Corporation and another corporation that is no longer in business. I spoke with an extremely courteous and knowledgeable lady named Theresa. She advised me concerning both corporations and suggested tht I try the new Electronic Filing system that the Department of State had implemented for renewal of Uniform Business Reports.

I accepted her invitation and used the Electronic Filing system to file the UBR for Marshall Management Corporation that same day. At the time I quietly commended the Department for implementing the Electronic Filing system. That is...until I received the notice that you apparently had not received my electronic filing.

Upon receipt of the late notice, I immediately called the Department and was advised that there had been many instances of problems with the new Electronic Filing system. While I am perfectly willing to pay the additional fees for late filing if I fail to file my return on time, I would like to have some forbearance in regard to paying the penalty if the Electronic Filing system failed to register my previous filing.

As a result of these circumstances, I respectfully request that you not impose the penalty and accept the enclose filing and check in the amount of \$150.00. Your approval and acknowledgement of this request will be sincerely appreciated. If you need to contact me during business hours, I can be reached at 407-898-4993. Again, Thanks for your consideration in this matter.

Sincerely,

Douglas L. Turner  
President
