1. Without action by the stockholders, any or all of the shares of stock of this Corporation may be issued by the Corporation from time to time for such consideration, as may be fixed from time to time for such consideration, as may be fixed from time to time by the Board of Directors (hereinafter called the Board) of the corporation, and any and all such shares to be issued, the full consideration for which has been paid or delivered, shall be deemed full paid stock and not liable to any further call or assessment thereon, and the holder of such shares shall not be liable for any further payment thereof.
