Dear Sir,

I am afraid that I lost my secretary back in late April, 2000. It seems that she had filed away the first "2000 Uniform Business Report" that you had sent TMOCO Systems, Inc. and I never knew it was there, lurking undiscovered in a filing cabinet. I don't believe this was intentional - it just happened.

I recently received a "second notice" from you and hope that perhaps you will find a way to forgive my ignorance. I have included a check for \$150. If I must pay the penalty (additional \$400), please bill me for it and I will send it off to you, but again - I would appreciate it VERY much if you could overlook my stupidity. I will certainly see to it that this does not happen again.

Thank you for your consideration,

Thomas D. Moore
President
