Division of Corporations  
Uniform Business Report Filings  
P.O. Box 1500  
Tallahassee, FL 32302-1500

Dear Division of Corporations,

I am enclosing a check for \$150 with our Uniform Business Report Filing, instead of \$550, because I do not believe we received the original notice. We are fairly new to being a corporation and did not have this filing on our records as a form we should be looking for and be aware of.

When I received the notice due September 12, I gave it a cursory look, highlighted the due date and filed it in my September to-do file. When I retrieved it yesterday to complete the filing, I read it and was shocked to see it was, more or less, a second notice.

I called my CPA this morning and they said we should have received a form in the spring to be filed by May 1. To my knowledge, we received no original form. I am very organized and file things in a timely and efficient manner, so if we would have received it, I would have filed it on time.

As we did not *knowingly* not file by May 1, I am sending the original fee as requested. If that is not satisfactory, please let me know.

Sincerely,

*Debra K. Benedict*
