To whom it may concern,

Synergy Design Group, Inc. is a small, disadvantaged minority-owned, construction cost/project management firm based in Miami and Alexandria, Virginia and was only incorporated within the past year. I have only recently become aware that this Uniform Business Report is pass due. I deeply apologize for the delay and I unfortunately have no record of receiving the first notice. I realize that my infraction has significantly increased my filling fee.

I recently contacted your office, by phone regarding this matter. It was suggested that I remit the normal \$150.00 filling fee and request leniency regarding the automatically imposed late surcharge. This request is based on my failure to receive the first notice, and my unawareness of the Florida's filling processes. I realize that this request is totally at the discretion of your office and I will abide by what ever decision you make.

Thank-you in advance for your consideration.

I hope this is clear. Please feel free to contact me for any reason.

Sincerely,

Nathaniel Quincy Belcher, Principal Officer
