On Wednesday morning, 11/15/2022, we made contact with a customer inquiring about a payment that was missing. We were informed that payment had been sent to us and had also cleared their bank account. We requested a copy of the check to see the endorsement on the back and discovered that it was not our endorsement nor our bank. We began to search Sunbiz.org and discovered that on 10/31/22 a person whom we did not know nor heard of named Oneal Moore had filed an unauthorized amendment to change all of our company information such as the FEIN number, registered agent/officers name and company address without our consent.

We have since been online 11/15/2022 and paid an additional \$70.00 to file an immediate amendment to change all our information back to its original state.

We are requesting this fraudulent amendment be voided from our records. Should you have any further questions, please feel free to contact me at 1-352-302-2143 or the office at 1-352-628-0184.

Thank you,

Timothy Camp - owner/president
