P.O. Box 445

Safety Harbor, FL 34695

Please be advised that we have not received your uniform business report. That is why we filled out a blank one. Please wave the late fee because we were waiting for your form to make sure that it will be filled out accurately. We called your office and a representative told us that it has been mailed to us, but unfortunately we have not received it.

Thank you very much

Vice President
