Re: Business Report Filing Fee

We never received the first notice of the business report, we called and were told it was already sent but never received. Now we just received the second notice asking for a higher amount.

Yesterday we called on the phone and explained the situation and we were told to sent the original \$150 fee and an explanatory letter asking for the late fee to be waived. We are enclosing a check for the original fee and are hereby asking for the late fee to be waive on the basis that we never received the first notification and although we are supposed to be responsible for its payment despite not receiving notification we are new at the corporate game and we're not aware of all the details yet but we're learning.

Please accept our apologies for any inconvenience we may have caused you regarding this matter.

Sincerely

Moises Tejeda, Pres.
