I had asked my accountant if this had been paid and he expressed to me that it had. Without giving it another thought I ignored this request. He even gave me the check number which I assumed was correct. Unfortunately for me, the accountant gave me last year's payment information. I am beside myself as I would Never have ignored this payment and have always in the past paid. I am requesting consideration to accept a payment for \$150.00 instead of the \$550.00 as I was unaware of this catastrophe. Please understand I am not trying to get out of my requirements but truly have been caught off guard with this whole mess due to my inaccurate data from the accountant. I have had other problems due to this and have since corrected the situation. Please phone me or notify me by mail if this was acceptable as I am not a delinquent person/business and want to make this right. Again, I apologize for this horrific error and hope this can satisfy my account.
