RE: Alstar Enterprises, Inc.  
Reference # W99000014213

Dear Mr. Purinton:

Pursuant to our telephone conversation today, you are advised that I represent Alstar Enterprises, Inc. and am responding to your June 17, 1999 letter to Capital Connection requesting my client file a certificate name change with the Division. As I explained, this corporation was incorporated on March 3, 1999 and a certificate of amendment was filed on or about June 15, 1999, said amendment listing current officers and directors. The corporation has a federal identification number, bank account, has transacted business and currently has pending with the State of Florida a license application for a mobile home dealership. My client has relied on the State in accepting the name of this corporation and a name change would result in a financial hardship and lost business opportunity. As such, my client does not intend to change its current name.

Thank you for your professional assistance in this matter.

Sincerely,

  
Dana C. Matthews
