To whom it may concern,

I appreciate the time you took with me on the phone today regarding the 2000 uniform business report. I am following your instructions and requesting that the corporate annual report fee be restated at the original renewal fee of \$150.00 based on the following circumstances. The corporation was set up in 1999 and on the letter we received from the secretary of state it was stated that an annual report must be filed with that office each year. This is the only notice we have received this year regarding the annual report. I was surprised to learn that the reports are sent out in February. I do not know why we never received the first notice, but I have set up a reminder in my computer so that if we do not get a notice by the end of February next year, I will call your office immediately, and request one be sent out so this problem does not happen again. Since I was a sole proprietor previously this was not on my list of annual requirements. I am sorry for the confusion about this, and can assure you that this will not happen again. Thank you for your assistance on this matter. I have enclosed a check for \$150.00 to cover renewal fees and if you should need to contact me I can be reached at (954) 447-2372 during the day.

Sincerely,

Ed Eisele, President
