Dear Sir or Madam:

Based on the attached correspondence, I have attached a check for \$150.00 for the filing fee. A reject letter with instructions was never received from your office. If the original report had not been mailed, there would have been no need for this email correspondence; the report would have simply been mailed along with a check for the fee.

Sincerely,

Richard H. Hoback

As long as we have record that we received your report before May 1st you will not be charged a late fee.

Does this mean that V-Force Engineering will have to pay the late filing fee or just the \$150.00?

Thank you
