As you have stated that the corporation did not receive the report notices, you may submit a letter providing this information to our office with a completed report form and the \$150 fee. The dissolution will be removed if you follow these steps.

We are the accountants for the above named taxpayer. My client never received the annual report for 2000, and never realized that it wasn't received. They changed addresses during the year and obviously none of the reports were forwarded. We would like to immediately send in the report together with the original fee of \$150. We would appreciate an abatement of the penalty
Thank you.
