*Come out of the jungle into our world of automation*

January 24, 2004

To whom it may concern:

For about the last 18 months I have been traveling along the East Coast working on various contracts. I have had the company mail forwarded to me, (sometimes through two forwarding addresses at a time), to whatever location I was currently working. I believe I eventually received *most* of the mail, but I know some was lost in the shuffle. **The "two prior business report (UBR) notices" that you referenced in your notice to Industrial Computer Automated Technologies Corp. I have not yet received.** I received this notice, (Application for Reinstatement), at the end of December 2003. Please accept my apologies for any troubles caused by my "mailing shuffle" and please accept Industrial Computer Automated Technologies Corp.'s application for reinstatement.

Sincerely,

Howard A. White

President, Industrial Computer Automated Technologies Corp.
