RE: Four Stars Medical, Inc.
Document # P99000023479

To Whom It May Concern:

This letter is regarding the status of the above referenced corporation. I would like to request that the reinstatement fee be waived. The reason for my request is because we have never received the Uniform Business Report for the past year 2001, or for the current year. I believe that the reason we had not received might very well be because the mailing address filed in our corporation is no longer valid. The former mailing address on the corporation was my former home address, in which we moved from late December of year 2000. We, the officers of Four Stars Medical, Inc. were totally confident that our company was in active status until we were in the process of making a financial transaction and our application was denied due to our company being inactive. If this had not occurred, we would have not known our company was inactive. We regret this situation and ask for your consideration in waiving this fee. I have enclosed the annual report fee for the past year as well as the current one, and also included the fee of \$8.75 for the certificate of status. We realize that it is our responsibility to ensure the active status of corporation. However, we would greatly appreciate your assistance in this matter, for this could negatively affect our relationship with our customers. If you need any further information, please feel free to contact our office at your convenient time.

Sincerely,

Jeanette A. Padilla
