Dear Sir:

My husband always takes care of this, however, he has been very, very sick and in the hospital ten times this year so far. He had suffered from pneumonia and now congested heart failure. In fact, the last time he was taken by ambulance he went into "Code Blue" three times. This, of course, has caused much worry and stress on the whole family and this is the reason why this is late. I had no idea this was not paid although I can understand it with what is going on. Jesse is in no condition to remember if he paid this or not but I can't find where he did in the check register, therefore I don't believe he did. And if he didn't, I am begging you to forgive the late charges and we will be eternal grateful.

Sincerely,

*Carole Snellgrove*
