Please note:

I never received this form and so did not know that I should file it. I called Tallahassee and was told to order a form and send it with a letter saying I had not received it. I ordered form to come to my home address. I did not receive it but did get this form at my Kissimmee business address. I am not sure if this is the one I requested. I was told to send check in the amount of \$150 and this letter to avoid having to pay a late fee. I am also sending a check in the amount of \$8.75 so I can get a certificate of status.

Please advise ASAP if this form is not filled out correctly or there is any other problem.
