Quarter annual meetings of board and weekly updates via email

This business was first incorporated to sell magnetic therapy equipment over the internet. while setting up the business the person from whom I was to start the business with died and his daughter wanted an exorbitant amount for the business.

I could not pay it so started selling farm animal figurines which is just beginning to make great strides with businesses wanting pig, cow, horses, duck and chicken items for their business logos and to pass out at seminars.

I expect to have a more robust set of figures by next year neither myself or any other board member is paid a salary at this time.
