Re: P99000034191  
Dynamic Construction USA Corp  
Jorge Hernandez, President, Director and sole Stockholder

Dear Sir or Madam:

My name is Johnny Tsimogiannis, and I am the "former" registered agent for the above referenced corporation. As your records will confirm, I resigned as registered agent of this corporation on March 21, 2000, although I terminated this client on December 16, 1999.

After exhausting all efforts with Mr Hernandez, I am left to plead for your help. The address you have for the corporation's location and mailing address belongs to me. The address is my home residence whereby I operate a home-based accounting & consulting practice. I allowed Mr Hernandez and his corporation to use my address because according to Mr Hernandez at the time of inception of the company, he was in process of buying a home and securing an office facility for his construction company. Well, since then, the corporation has changed location 4 times and Mr Hernandez has changed locations twice. I believe it to be misleading to anyone who might inquire with your office to perceive that my address serves as the physical location for the above referenced corporation and that the same address serves as a place of residence for Mr Hernandez. For reasons unknown, he has decided to not change the registered agent, nor the addresses as depicted above herein.

I was forced to resign as the registered agent at my expense and if necessary I would be willing to pay a filing fee to change the addresses too. I am hoping this letter will suffice to accomplish the change addresses. If so, then Mr. Hernandez is presently running his business from his home located at:

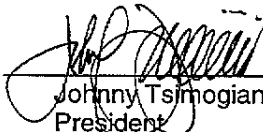

13500 SW 71st Street, Miami, FL 33183

If this letter does not suffice, then please provide me with an avenue for which to pursue to effectuate my request as depicted herein.

Sincerely yours,

Tsimogiannis & Testa, P.A.
