to whom it may concern:

As per my conversation with Tyrone earlier today, due to the fact that i had changed accountants and said person had put their business address and not the proper business address, which should have been Hairballs. Never did i recieve renewal notices, nor did i ever hear from the old accountant. I mail this a little late as it is cause i was out for the months of Jan. and Feb. and my new accountant found out all the information for me. Please be advised that this will not happen again, due to the fact that the new address will let me know of the due amounts yearly. Thank you for your understanding.
