2. Telephonic conversation/Report Office Clerk, 10/18/200

Dear Sir or Madam:

Thank you for providing our office the opportunity to submit the reinstatement application and provide rationale why the annual corporation's report was not filed in a timely manner.

Based on the reference (2) conversation with your office it was determined that two earlier notices were sent to the registered address for filing the annual report. Despite the fact, our company has never received any of notifications sent by your office of when to submit the annual report. During the conversation with your office clerk it was determined that the registered principal place of business mailing address is incorrect which explains the reasons for not receiving the earlier notifications.

Based on your office recommendations we are submitting the reinstatement application, providing the \$150.00 fee for annual corporation report and this letter providing rationale to mishap situation.

Please accept our sincere apologies for any problem this situation may have caused your office, we have corrected the principal address on the reinstatement application and assured that it will never happen again. Again, thank you for bringing this matter to our attention and helping us resolve it.

Yours Sincerely,

Francisco Garcia

President & Director
