RE: Document # P99000038467
IRS# 65-0914415

In the process of completing a bank transaction, we have been informed that the corporate status of Bullet Freight Systems of Miami is inactive. Attached please find a copy of the canceled check and a copy of the form that was remitted with check. As per the president's conversation with a representative from the Division of Corporations, the form was returned to us for completion, because field number 4 was not completed. To date, we have yet to receive this returned form.

Furthermore, attached also find a copy of the Division of Corporations mailer with the correct address for Bullet Freight Systems of Miami. Upon moving, we did in fact make the necessary changes to the record of our corporation. Apparently, there was some oversight on the part of the Division of Corporations. Additionally, we have also been informed that there is a \$600.00 reinstatement fee. The amount of this fee is not only outrageous, but it is unreasonable and unmerited. We should not be penalized for the errors committed by the Division of Corporations nor by the US Postal Service.

Your immediate attention to this matter is greatly appreciated. Should you have any questions or require additional information, please do not hesitate to contact the president of the corporation, Mr. Pedro Betancourt, or my self.

Sincerely,

Monica Crespo
Controller
